A WORD  
FROM THE  
PASTOR

*And an angel of the Lord appeared to him in a dream and said, "Joseph, son of David, do not be afraid to take Mary as your wife, for the child conceived in her is from the Holy Spirit. She will bear a son, and you are to name him Jesus, for he will save his people from their sins." Matthew 1:20b-21*

We as a church community here at St. Mark's have had a rough time of it in this last month. But, not just in the last month, but really in the past 6 or 7 months we have lost many dear and faithful members. And so, as we begin a new church year, and as we enter the season of Advent we are deeply aware of our loss and also of our faith and the stories that form the bedrock foundation of our Christian faith.

We believe that the coming of our Savior Jesus, as a human being, entering the world as a vulnerable, defenseless child, dependent on his mother and father's care and protection is THE story that makes all the difference in a world of suffering, darkness and pain.

In Advent we remember this story with quiet joy and wonder—amazed that our God wasn't willing that we should perish in our sin with no advocate, no one to help us. We remember Joseph, Mary's betrothed who would be the first person to doubt this story that Mary told about being pregnant by the Holy Spirit. But, he would not be the last.

As many have learned who have suffered loss, perhaps the most comforting thing one can hear is "I understand, I too have been there." Those words, if they are true, wash over us with

comfort and reassurance. Someone truly has also been where we are, they understand. God knew too, that we would need a Savior, one like ourselves who would have endured our annoyances, our joys and our sorrows. Jesus is called the Man of Sorrows in Scripture—simply because he has been through it all himself as a human. When our Lord, who is called Emmanuel, God with us, says I am with you always—we can believe Him.

He has been to hell and back for us. He has been loved and held by his mother—had annoying little brothers—understands the joy of family and the difficulty of losing one to death, as he lost Joseph. He has endured his own dark night of the soul in Gethsemane, and so he understands and will see us through our own doubts and isolation. It is with that understanding of our sense of loss or grief, that we have continued to hold our Longest Night Service on Dec. 21<sup>st</sup>. It is the longest night of the year. It is a quieter service—a service of pastoral care where sadness is accepted and understood as part of our human condition. Yet, we still proclaim our faith and our belief that our savior has come and that his coming has indeed made all the difference for us.

That child that we celebrate at the end of this month is our hope. He is truth, and he has come ‘for the joy that was set before him’. To bring us back from eternal death, and to present us to his Father in great love. *‘For he will save his people from their sins.’*

This month can be full. It can be tough. It can be stressful. But I pray that there will be time for you to set aside some time—which is admittedly in short supply, to contemplate the wonder of the Savior’s love—the awe of the angels, that Jesus would come to us in this way—and the angels awe over us—for we do something they will *never* be able to do—we witness to them how to live by faith, not sight. They will never live by faith. Only we do.

In this hectic time, may you also sense the holy. In this time of loneliness for some, may they be reminded by us, their sisters and brothers, that they are still loved.

May we dwell in wonder at the thought of Mary, Jesus' mother, holding her first born child, looking into the eyes of the one who authored time, but seeing only the face of her beloved son. As he grasps her finger, would she comprehend that he had designed animals and mountain ranges, had determined the courses of stars, and yet was as close as her skin, and was crying to be fed? A mother, holding her Creator. The Creator being held, loved and fed, by his own creation. It boggles the mind.

It is the season of wonder, the miracle of the Incarnation. His coming and our freedom is at hand. The light of the world is come.

May He continue to surprise you with his love, his care and his listening attention. He is your Savior, our Savior— may heaven and nature sing, and sing, and sing!!

Glory to God in the highest and peace to God's people on earth!  
Blessed by him to be your pastor—Merry Christmas, dear church,

Pastor Barbara  
2022

## **YOUR GIFT**

I sat at the railroad crossing waiting for the train to pass by. Three engines rapidly pulled the long line of freight cars on their journey to the east. It was a long train and I had plenty of time to wait for it to pass. As I watched the cars go by, it was like a mobile art gallery in which I sat still and the art passed before me. Brightly colored words and symbols decorated most of the cars. I came to appreciate the talent of those that created them. Who were these artists and how did they come to use their God given talent of art in

this way? Aside from several crude messages on the cars, the majority were of beautiful and creative fonts. I imagined them created in an isolated railyard under cover of night with primitive supplies like cans of spray paint and not fine sable brushes. Did the artists realize the gift that God had given them? Do you realize the gifts that God had given you? Yes, we all have them. Sometimes we use them in isolated places and under cover of darkness. They are gifts none the less. Give thanks for your gifts and use them to praise God in whatever manner it may be. Using your gift to glorify God is an excellent way to praise him.

### **DISCIPLESHIP RECOGNITION FUND**

Have you ever thought someone in our church family has stepped up and done something that's worth saying thank you for? Well, we have a great way to do just that. It is called the Discipleship Recognition Fund and here is how it works.

\*Pick up an envelope in the Narthex with the nomination form inside and fill it out about the person you would like to thank for working so hard for the benefit of St Mark's.

·Drop it in the box in the Narthex and the Committee will take it from there.

The fund has been donated and set aside, only to be used for this type of gift, and does not affect the general fund of the church.

# *Thank You*

Dear St. Mark's family.

Thank you for caring so much about Gene. We sincerely appreciate your kind messages, comforting support, and prayers that blessed us richly during this difficult time.

Thank you.

Bev Griffin and family

Hey, St. Mark-e-teers.

Your tribute to Gene was a treasure. He named the ministry, assembled the stage up and down, gave voice to puppets, critiqued and wrote puppet scripts, road trips meant loading and unloading the van, and most of all, Puppet Ministry's number one supporter. He was a puppeteer, even if he could not put his hand into a puppet. Thank you for remembering my Gene so beautifully.

The other puppeteer, Bev

The WELCA Circle Board thanks all who gave Thankofferings in the amount of \$480.22 in gratitude for blessing received in the past year. This Offering supports church wide Life Changing Ministries of many kinds.

The kindness and support shown our family during the loss of our husband and father, Michael Finn, was very special to us. We are so blessed to be part of the St. Mark's Church Community. Many thanks for all those who supported us at the funeral, sent personal cards, messages and flowers. God's Blessings.

Marylou Finn, Kim Shunk, Micki Cardin & Stacey Vencil
